

WANTED!

Help us ensure that our community has a just recovery from the effects of the pandemic.

The Brownsville Neighborhood Empowerment Network is seeking concerned residents to volunteer on this new committee in order to address the community's concerns about access and long-term protection of new housing opportunities on vacant, city-owned land.

As a committee member, you will have the opportunity to be a "frontline fighter" working to realize the following goals for 2021:

- ★ Connect all residents of Brownsville (new and existing) to the services of quality, local providers.
- ★ Sponsor community improvement and placemaking projects on vacant parcels, as an opportunity to cultivate civic engagement and improve the physical landscape of Brownsville.
- ★ Steward the long-term affordability of all new affordable housing assets developed and preserved in the community.
